

1. Write four sentences for yourself based on the following sample.
2. Then write two questions from your text and answer them.

I'm at the supermarket.
I'd like to buy some food. I've got my birthday party tomorrow. I'd like a big birthday cake with candles and a lot of food. I'd like some ice cream, lemonade and pizza. I've got some juice and some chocolate in my basket. I've got some strawberries too. I'm very excited!
I love birthday parties!

3 Read again and answer.

1 Where is the boy?	2 Would he like some cherries and rice?
3 When is his birthday party?	5 Are there any strawberries in his basket?
4 Is there any lemonade in his basket?	

4 Read again and answer.

- 1 Where do people celebrate Bonfire Night?
- 2 Is there a bonfire?
- 3 Is the bonfire cold?
- 4 Has Mike got a sparkler?
- 5 Are there any fireworks in the sky?

1. At a fireworks display.

2. Yes, there is.

3. No, it isn't.

4. No, he hasn't got.

5. Yes, there are.

6 Read, look and write the number.

1 Yum! I've got a toffee apple. There are some fireworks in the sky.

2 I've got two sparklers! There isn't a bonfire, but there are some fireworks.

3 Do you like our bonfire? We've got a small bonfire. I haven't got a hot dog.
