CLIL SOCIAL STUDIES

21 Read. Then answer the questions.

Last summer, I visited Beijing with my family. It is a very large and interesting city. I kept a diary of our holiday. The best place we visited was the Great Wall of China. I learnt a lot of things from the tour guide about the Great Wall. This is what I wrote about our visit.

The Great Wall of China is the longest wall in the world – it stretches to about 6,300 kilometres! I thought that it was just one big long wall. But it isn't. It has lots of different parts. The oldest parts of the wall were built over 2,000 years ago!

I took lots of photographs and emailed them to my friends. We walked a long way along the wall. We also got bikes and we cycled for 10 kilometres. We saw lots of beautiful things. I will never forget my day at the Great Wall. It was amazing!
