Summer camps

Hi, I'm Elliot. I live in Scotland. Last August I went to a summer camp for two weeks. It was near a national park and it was fantastic! I did adventure activities like kayaking and rafting. I did some sports, too. I really like playing football and volleyball. I love sports and adventure!

My name's Carolina and I live in Los Angeles. Last summer, I went to a beach summer camp for three weeks. It was a wonderful place at the seaside. I practised lots of fun activities for children. I went surfing and snorkelling. I also played beach volleyball and I went on a sea life safari. I loved spending my summer at the beach!
