READING

My friend Alicia

by Monica Devon

My friend Alicia and I are very different. She's taller and older than me. She's twelve and I'm only eleven. We've got dark brown hair, but mine is short and wavy. Alicia's hair is longer and it's straighter, too.

I'm a quieter person than Alicia. She talks a lot on the phone. She's the most talkative person that I know! Alicia is also the sportiest person in our class. Her favourite sport is basketball but she also goes surfing and horse-riding. I'm not keen on horses! I'm not very sporty, but I enjoy volleyball.

Many people at school like Alicia because she's helpful. She's also very kind. She always helps people with their homework and she is friendly to the younger children in the school. And she's the funniest girl that I know. She loves making other people laugh! I feel proud to be her friend!

Now , let's answer .

15 Answer the questions about Monica and Alicia.

- 1 Which girl is older?
- 2 Who has got wavier hair?
- 3 Whose hair is longer?
- 4 Who is more talkative?
- 5 What sport does Monica like?
- 6 Why do people like Alicia?
- 7  Do you think Monica is a kind person? Why/Why not?

Now let's listen and read aloud.
