6

Read the sentences. Then answer *True*, *False* or *I don't know*.

- 1 Emma uses computers at home and at school.
- 2 Emma prefers her tablet because she can move it around.
- 3 Emma sometimes uses her computer for homework.
- 4 Emma doesn't play computer games very often.
- 5 Emma often uses the Internet to watch videos.
- 6 Emma uses computers for her school projects.

18

Ask and answer the survey questions with a partner.

Where do you usually use computers?

I use them at home and at school.

WRITING

18

Write a report about your partner's answers to the survey.

- 1 Tim usually uses computers at home and at school.
- 2 Tim prefers using a desktop computer because ...

VALUES

Don't use computers too often. It's always good to play outside!
