# Nice Words

*Community centre:* a place where people from a neighbourhood can meet

2 minutes to read and answer this question:

What's Harry's favourite activity?

Harry

Kendra

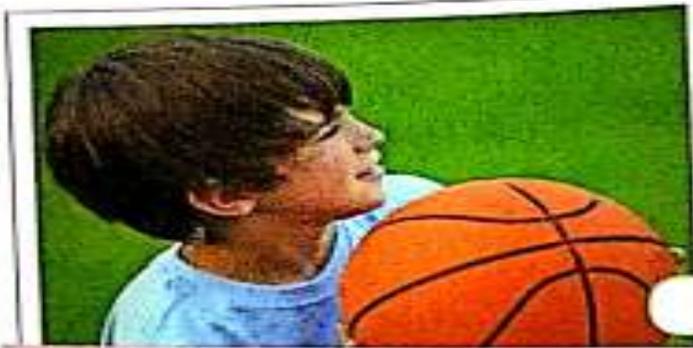

There's a great after-school club at a community centre in my town. I often meet my friends there after our classes. We usually spend an hour and a half at the centre, from 3:30 to 5:00 p.m. It's fun because there are lots of activities to do.

5 At four o'clock yesterday afternoon, I was playing basketball in the gym with my friend Jonathan. I'm good at basketball. It's my favourite activity. My friends Zack and Robbie were there too, but they weren't playing with us. They aren't very good at sport, so they were playing a board game together.

10 My little sister Kendra also goes to the after-school club. She likes doing puzzles and crafts with her friends. Kendra loves art and she's really good at painting and making models. Yesterday she was making a picture for our dad because it's his birthday next week. She did a great job!
