Ms. Asgari

Safa

Let's review .

At the jungle set ...

Wow! Look at those elephants!

Should we go in?

Do you think Madley Kool might be here?

1

What do elephants eat?

Oh, they eat grass and other plants ...

2

3

... and they sometimes eat cats!

You should be careful, Clea!

That's silly. Elephants never eat cats.

Where are the hippos? They're usually in the water, aren't they?

Action!

4

5

And what about the crocodiles? Where are they?

John, you must be careful!

Wow! Thanks!

This place is dangerous!

6

Can you tell me the summary of this text?

Let's open your book .

Can you guess what is this story about ?

Listen
then
read .

Now tell me the summary of the text .
