9 Read. What's Lee's favourite activity?

On four evenings a week, I go to an after-school club at a leisure centre near my house. It's really good fun because we do lots of different activities.

On Mondays, we do rollerblading. I'm not very good at rollerblading, but I love it because it's such good fun! On Tuesdays, we do athletics. I'm very good at running, but I'm not very good at jumping. Last week we ran races and I won one of them! Every Wednesday, we do martial arts. My friends Tom and Harry are very good at martial arts. I'm not very good at it, but I enjoy it! On Thursdays, we play table tennis. I love playing table tennis - it's my favourite activity of the whole week. This week, I played against my friend Joe. We're both very good at table tennis. It was a great game!

I don't go to the leisure centre on Fridays. My friend Simon usually comes to my house after school every Friday. We often play board games together. This week we were playing chess when his mum came to pick him up at 6:30 p.m. I'm not very good at chess - Simon won the game!
