

The background of the image is a dense field of jellyfish, likely a species of moon jelly, floating in clear blue water. The jellyfish are translucent with a pinkish-brown hue and are scattered throughout the frame, creating a textured, shimmering effect. In the center, there are two overlapping rectangular boxes. The top box is light blue and contains the text 'p89' in a yellow, rounded font. The bottom box is a darker blue and contains the text 'Ms. Asgari' in a black, sans-serif font.
