

A whimsical illustration of a park scene. The background is a light green color with stylized blue clouds, white stars, and small white and red dots. In the center, a white rounded rectangle contains the text "Picnic in the park" in a bold, red, rounded font. On the left side of the rectangle, a cartoon fox with orange fur, a white chest, and a small red flower on its head sits on a green bush, looking towards the text. On the right side, another cartoon fox with orange fur, a white chest, and closed eyes sits on a green bush, looking towards the text.
