COME ON!
Wake up, kids!

Why do we have to wake up so early, Dr. Al? It's the middle of the night!

I know, Jenny, but you should come and see the moon!

2 What are you looking at through the telescope?

I'm studying the moon, Finn. Look! What can you see?

3 It looks like a man in the moon!

4 You're **both** wrong! The moon is a big piece of cheese, and I'm very fond of cheese!

5 How about some breakfast, everyone?

6 No, it isn't a man. It's a rabbit!

Well, I think it's a snail!
