An illustration of a zoo enclosure. In the foreground, three children are running across a green lawn. On the left, a girl with dark skin and black hair in pigtails, wearing a pink shirt and white shorts, points towards the right. In the middle, a boy with brown hair, wearing a blue jacket and orange pants, runs with a determined expression. On the right, a girl with black hair, wearing a green shirt and dark shorts, runs while carrying a small brown monkey on her back. A speech bubble above the boy says "A skunk!". To the right of the children, a black and white striped skunk is running away from them. In the background, there is a wire mesh fence, several trees with green leaves, and several colorful parrots (macaws and toucans) perched on the branches. The sky is blue.

A skunk!

Ling and Will aim for it.
