

# Equality

**“When I see you through my eyes,  
I think that we are different.”**

**“When I see you through my heart,  
I know we are the same.”**

**What is this quote telling us?**

**Look around the room at your friends.**

**What is different?**

**What is the same?**

**hair  
colour**

**what  
we like**

**where  
we live**

**our  
personalities**

**eye  
colour**

**skin  
tone**

**Can you think of anything else that makes us different?**

**Alavi**

**Yes**

**We all have feelings.**

**We all have likes.**

**We all have needs.**

**We all have thoughts.**

**We are all people.**

**Are we all the same?**

**Alavi**

**Let's watch a video.**

**Alavi**

**“A person is a person,  
no matter how small.”**

**What do you think this quote is telling us?**

**What does this mean for us at school?**

## **What If...?**

**What if your teacher shared some candy with the class and gave two to each boy but said that the girls could only have one?**

**Is this right?**

**Is this fair?**

**What could the teacher do to treat the students more fairly?**

**Alavi**

## What If...?

**What if your classmates are jumping rope in P.E. and your teacher says that only children with brown hair can have a turn?**

**Is this right?**

**Is this fair?**

**What could the teacher do to treat the students more fairly?**

**Alavi**

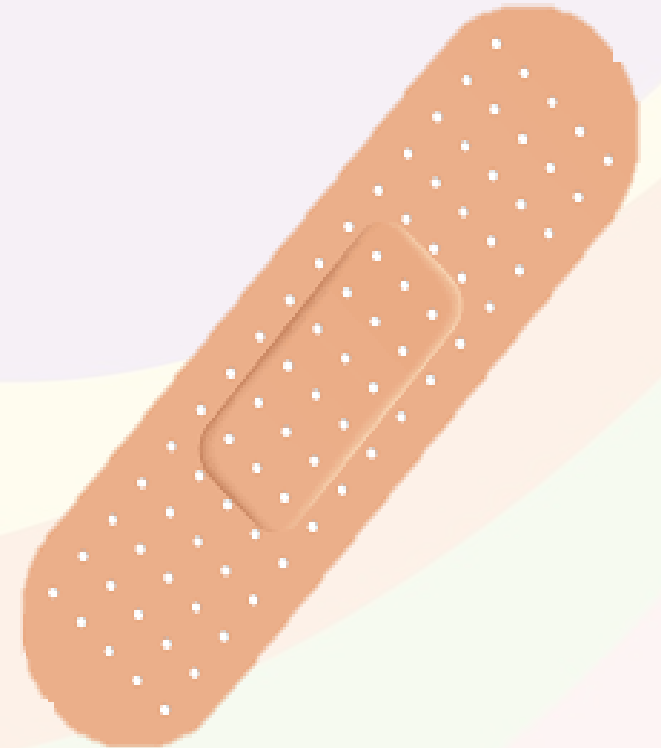

## What If...?

**What if you fall and hurt your knee and the teacher gives everyone in the class a bandage for their knee to make it fair?**

**Is this right?**

**Is this fair?**

**Does equality always mean that everyone has be treated the same?**

A group of five diverse children, including a boy and four girls of various ethnicities, are standing outdoors. They are all wearing backpacks and looking towards the camera. The background is slightly blurred, showing greenery and a building.

# What Is Equality?

**Equality is:**

**understanding that everyone is different but that we are all people**

**knowing that everyone has the right to be treated fairly**

**treating others with respect**

# Alavi

**Remember, equality is when we make sure that everyone is treated fairly. It does not mean that everyone has to be treated the same.**

**What does equality look like in your school and at home?**

**How do grown-ups make sure that you are treated fairly?**
