

An illustration of a horse and a foal in a stable. The horse is sitting up, wearing a green and blue plaid blanket. The foal is lying down, wearing a red blanket. A green frog is sitting in a small pond of water to the left. A speech bubble from the horse says "It's just Magpie."

It's just
Magpie.

'It's just Magpie,' groaned Foal.

Tick tock, tick tock!

Listen, listen!

'Listen, listen!' cried Goat again.

'It's just Toad's clock,' croaked Frog.

It's just
Toad's clock.

Alavi

At ten, Goat fell asleep.
