Big, fat raindrops
dripped and plopped.

Drip, drop, plip, plop!

Listen!

‘Listen!’ moaned Goat.

It's just
rain.

'It's just rain,' groaned Horse.

Tap, tap, tap!

Listen!

'Listen!' cried Goat.

It's just
Magpie.

The illustration shows a brown horse with a white blaze and a white mane sitting on the floor of a stable. A smaller foal is lying down next to it, covered with a red blanket. The horse is looking towards a small pond on the left where a green frog is sitting. The stable has a wooden wall and a blue tarp roof. There are hay bales in the background.

'It's just Magpie,' groaned Foal.

Tick tock, tick tock!

Listen, listen!

‘Listen, listen!’ cried Goat again.

'It's just Toad's clock,' croaked Frog.

It's just
Toad's clock.

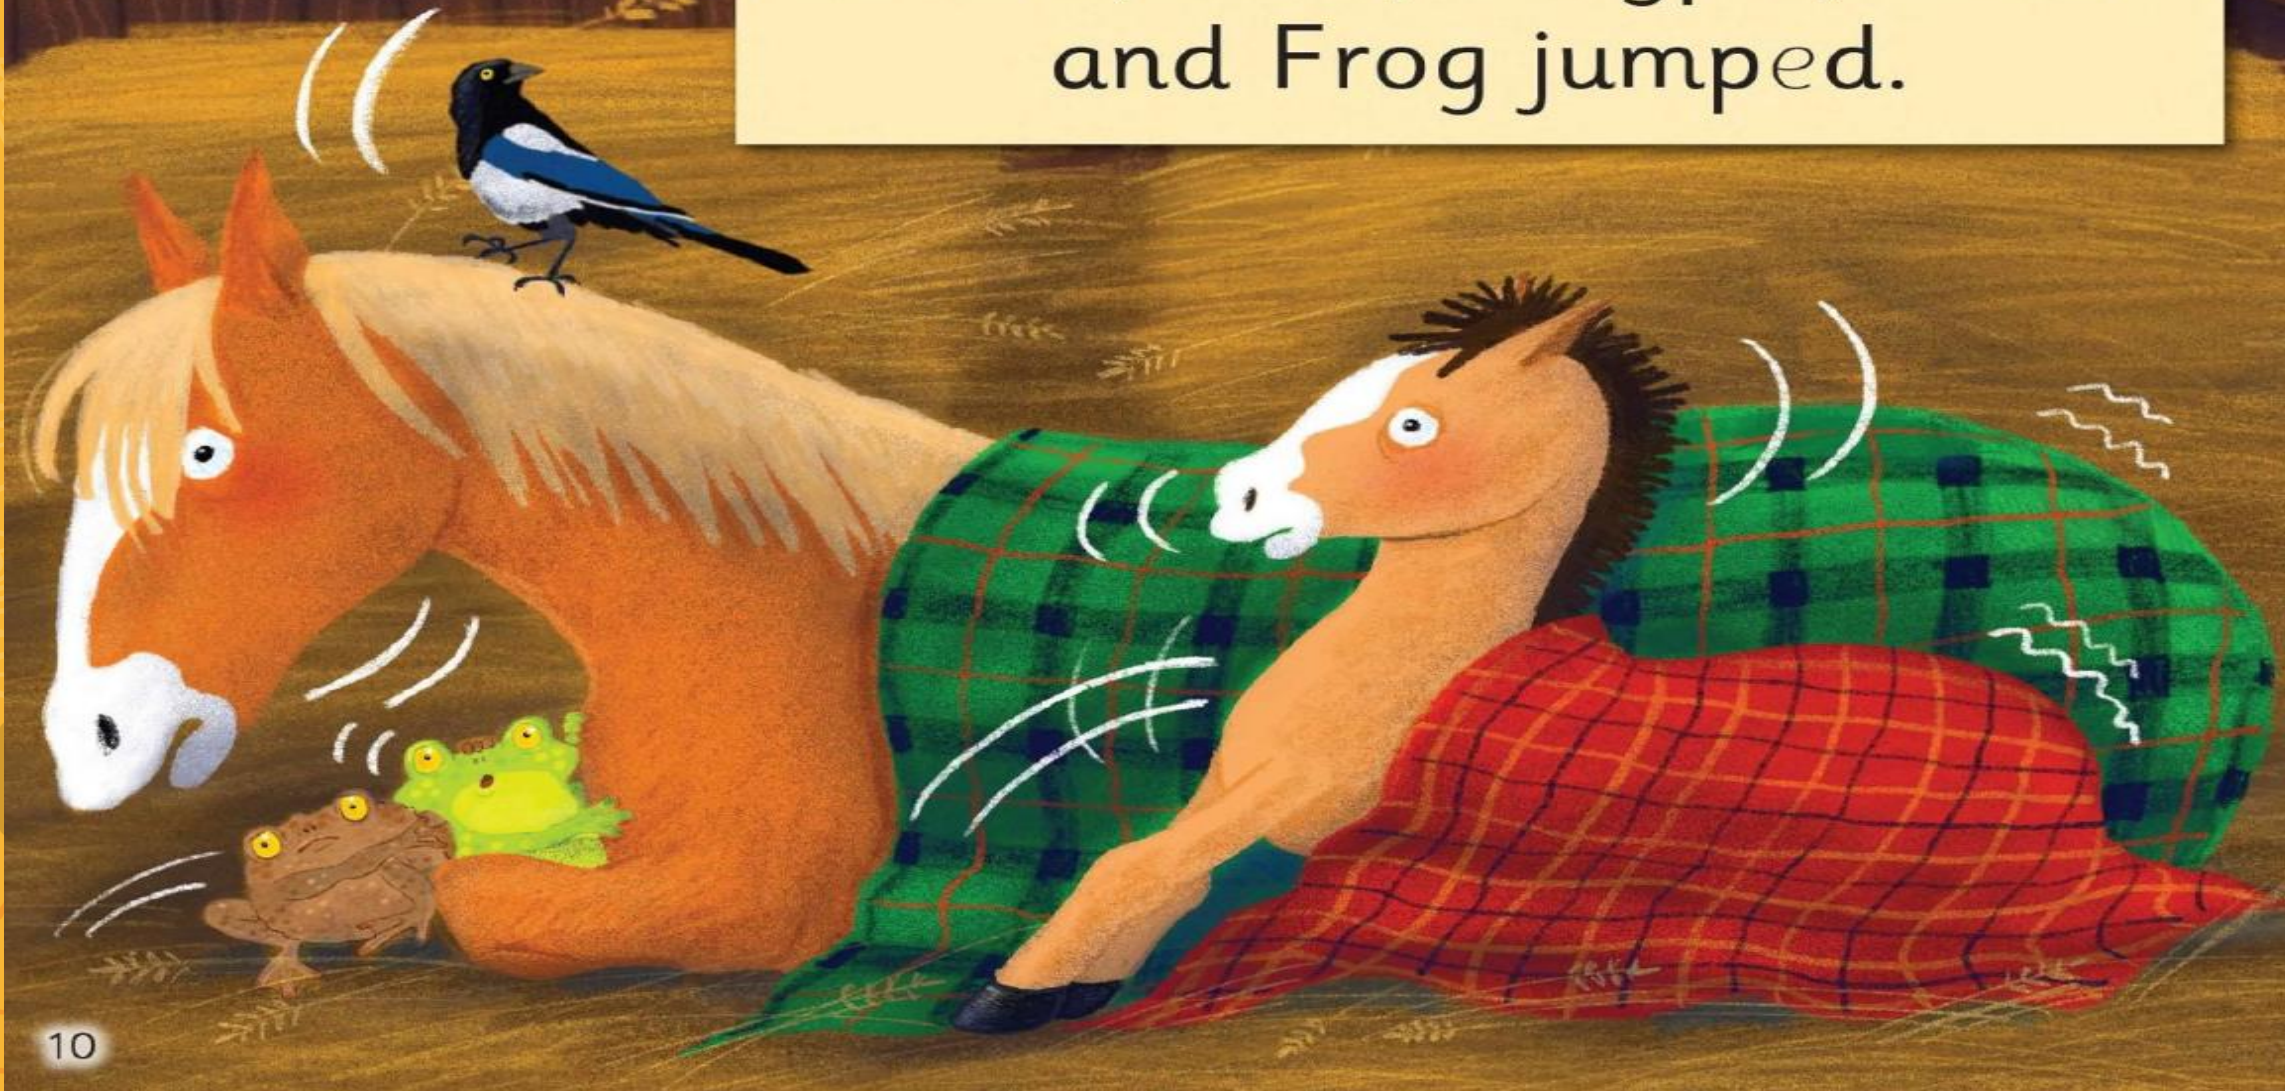

At ten, Goat fell asleep.

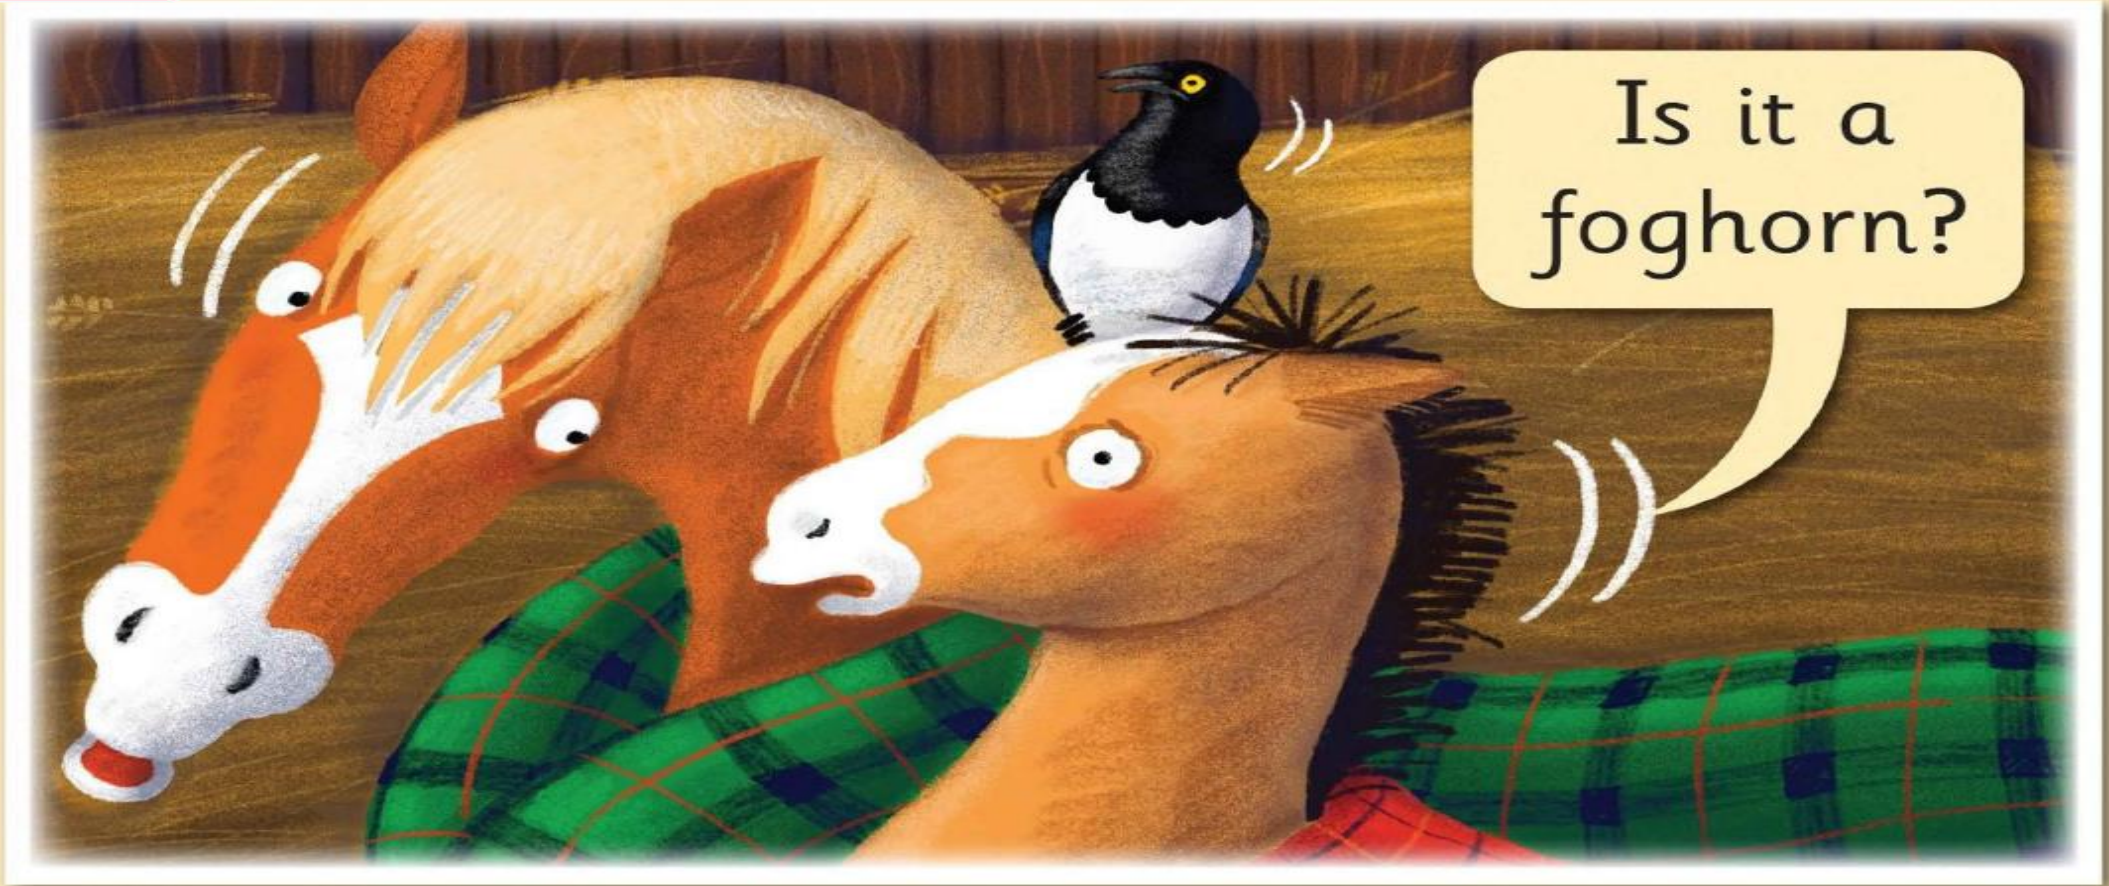

Goat snored. Goat snored a lot.

Horse, Foal, Magpie, Toad and Frog jumped.

‘Is it a foghorn?’ cried Foal.

It's just Goat.

'It's just Goat,' groaned Magpie.
