'Good morning, Sheep!' yells Fox Cub.

Good morning,
Sheep!

Achoo!

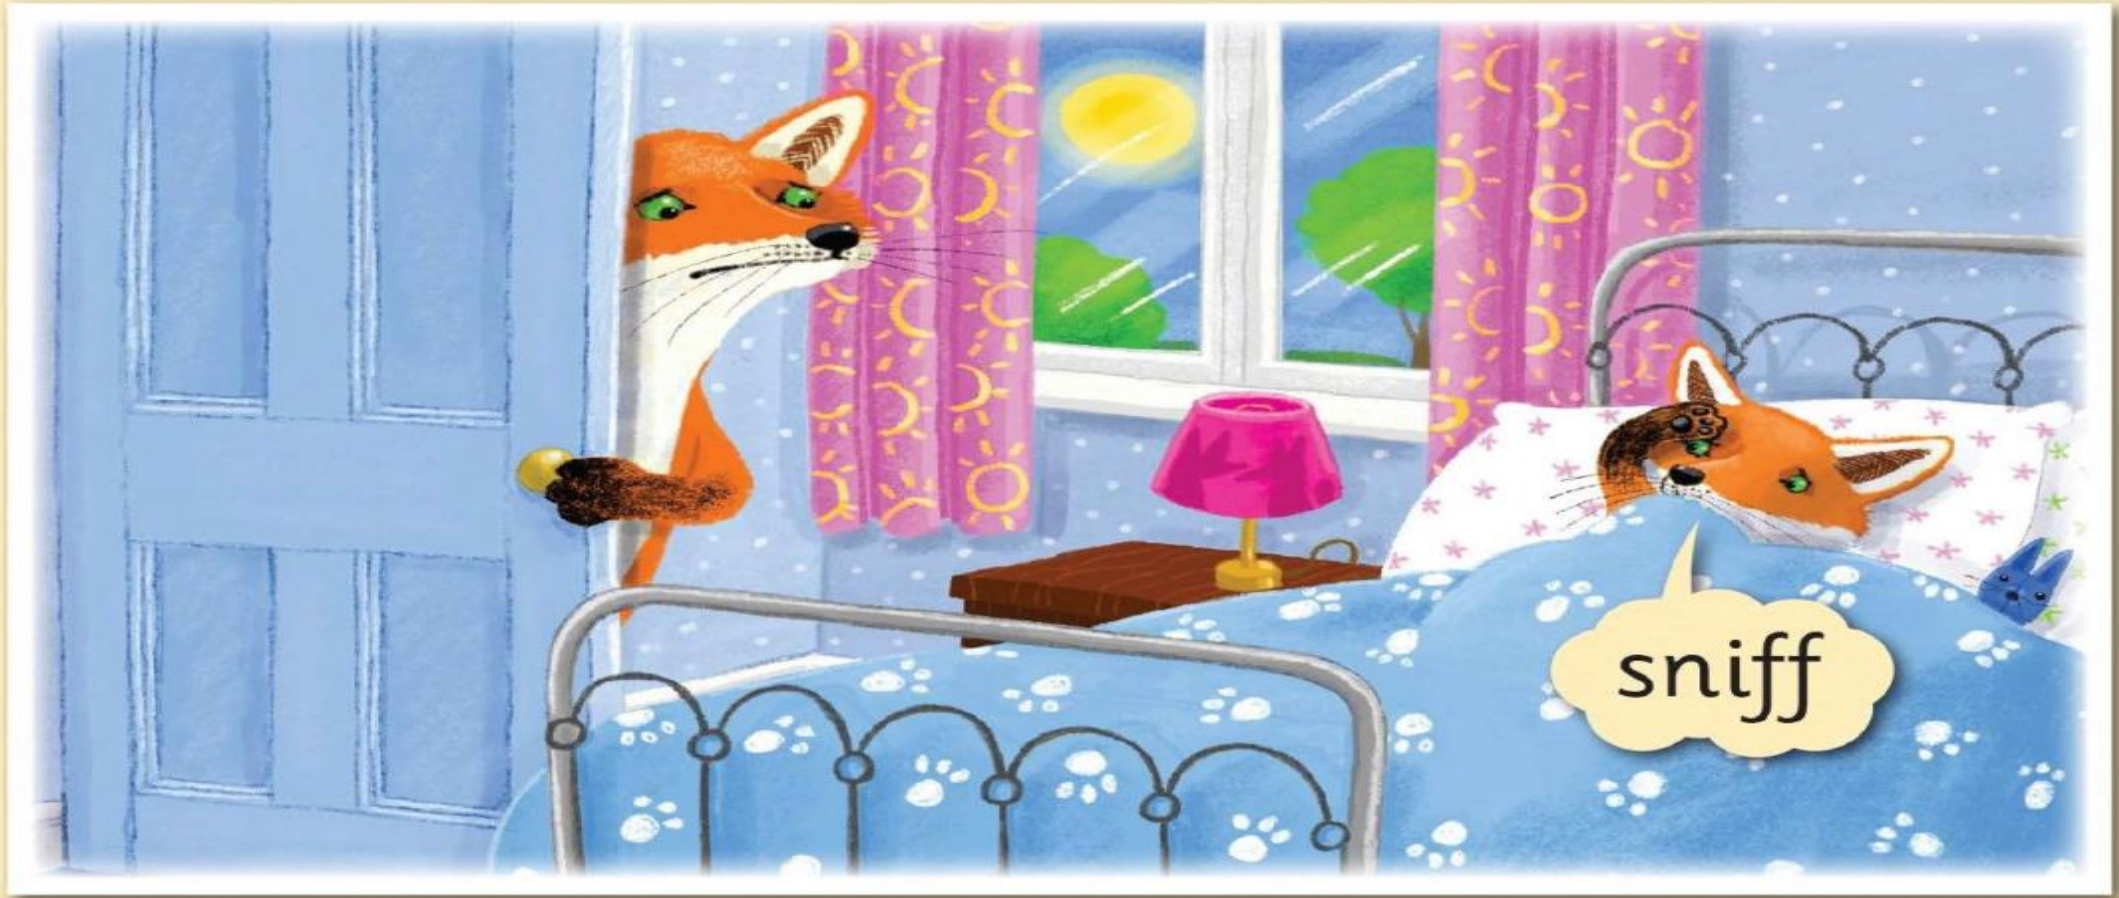

Sh!

‘Thanks, Chicken!’ Fox Cub yells.

Next morning, Fox Cub feels unwell.

His throat is sore.

Fox Cub has a rash, too.

Doctor Yak tells Fox Cub's mum that Fox Cub must rest his throat.

‘Rest is boring!’ thinks Fox Cub.

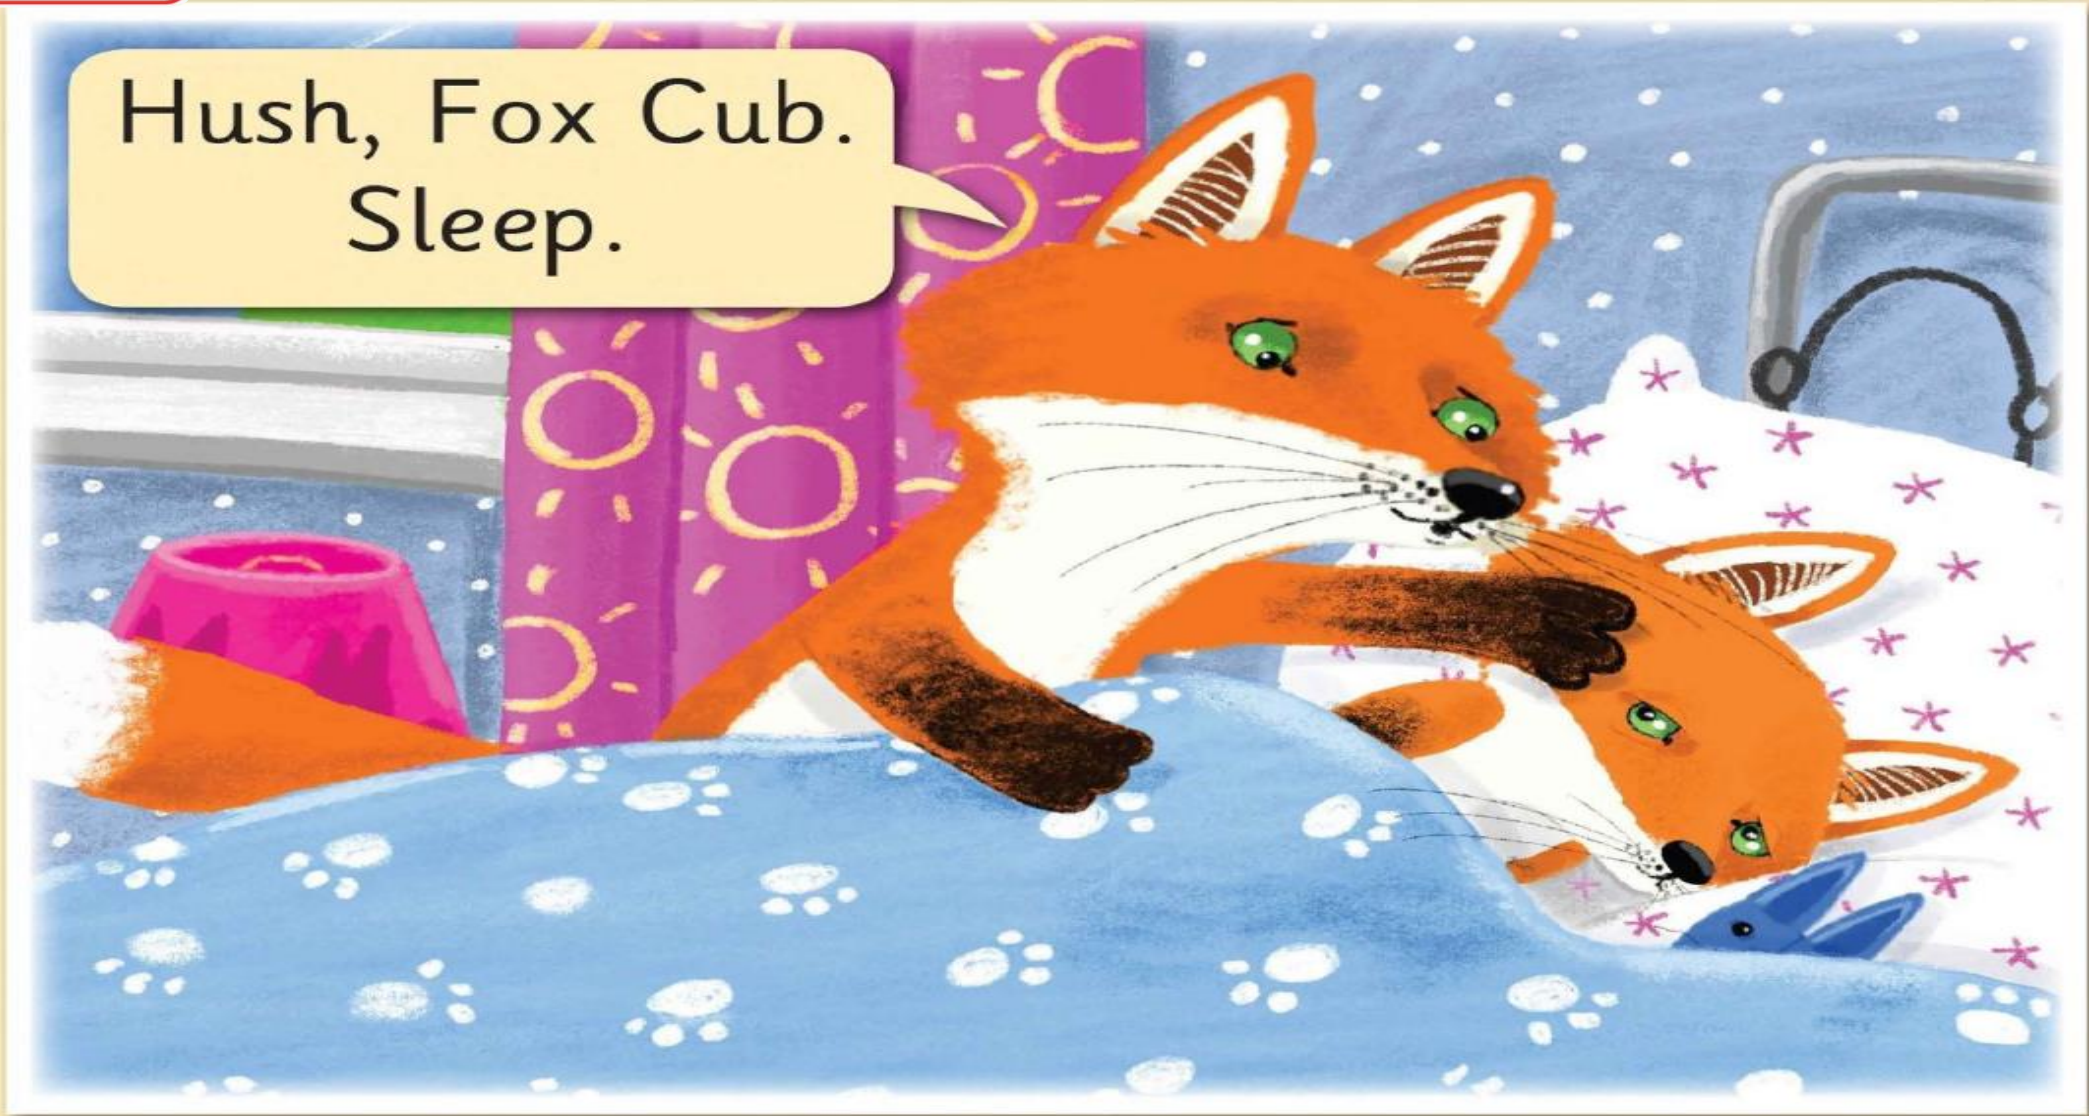

Fox Cub's mum brings him
a hot lemon drink.

It throbs.

‘It throbs,’ yelps Fox Cub.
