There were two cupboards

in the living room.

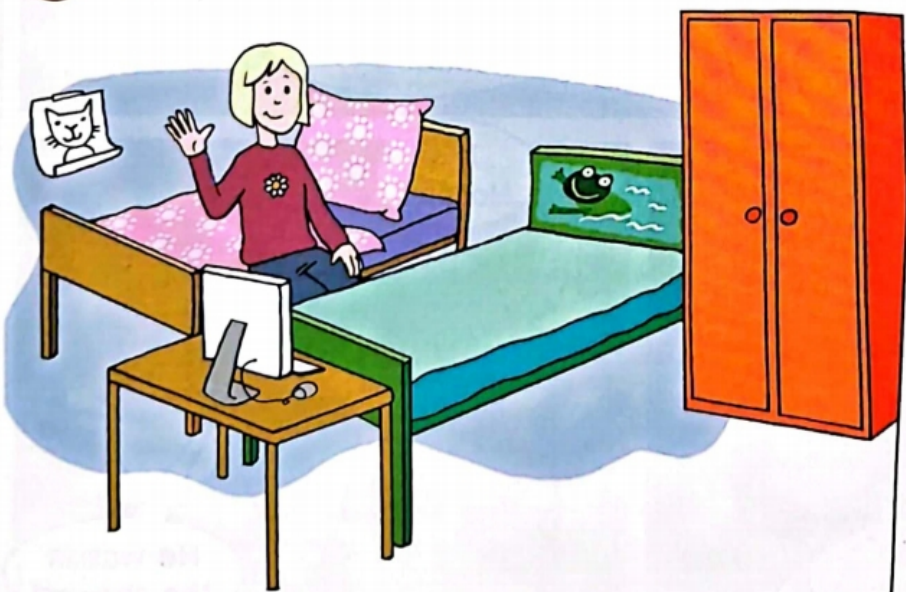

**8** Choose a room. Then ask and answer.

What was there in the bathroom?

There was a bath.  
There were two plants.

**9** Read. Then ask and answer in pairs.

I stayed with my best friend last week. Her house was great! There were two beds in her bedroom. There was a fantastic new bed for me! It was next to the wardrobe and opposite the computer. It was green and there was a frog on it! It was cool! Look at this picture of my friend in her bedroom. The bed was big and it was fun! Do you like it?

- 1 Look at the picture. Was the girl in her bedroom?
- 2 What was there in the bedroom?
- 3 What was there next to the new bed?
- 4 What was there opposite the new bed?
