Unusual homes

21 Listen and read.

My name's Peter and I'm from Greenland. I live in a small house, but in the past there weren't any houses. There were igloos in Greenland. The igloos were made of snow. There weren't any windows. There was a bed next to the door. It was very cold!

I'm Maria and I live in Spain. This is a photo of a cave house. In the past there were lots of cave houses in the mountains. There were gardens next to the cave houses. There were lots of small windows. There was a bedroom, a kitchen and a living room. I would like to live in a cave house!
