

**I remember the
nights under the
stars,**

1

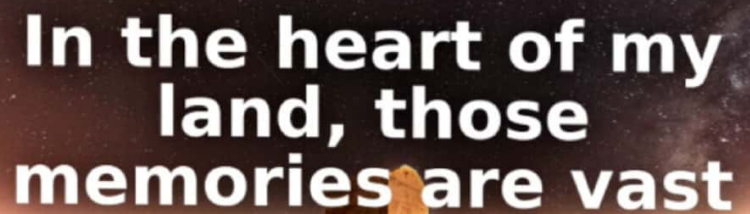

**Stories of heroes
and battles from
afar**

2

**The tales of
Cyrus, the
whispers of the
past**

3

**In the heart of my
land, those
memories are vast**

4

**From the hills of
Alborz to the
shores of the sea**

5

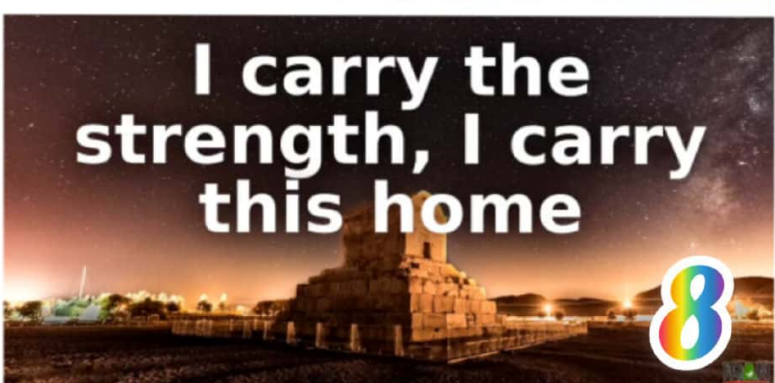

**I feel the spirit of
my ancestors in
me**

6

**Everywhere I am,
everywhere I'll go**

7

**I carry the
strength, I carry
this home**

8

The rhythm of the
setaar, the stories
unfold,

9

The art and the
culture, a
treasure to hold

10

Through the
valleys and rivers,

11

I wonder and
roam

12

Finding my roots:

13

Forever my home

14

With every
heartbeat, with
every embrace,

15

I celebrate the
love, the beauty,
the grace

16

**So here's to the
journey**

17

Here's to the fight

18

**With hearts full of
love**

19

**We shine through
the night**

20

**I cherish my
history**

21

I cherish my kin

22

Peace fills my soul

23

**And love warms
my skin**
