Name: _____

I see trees of green, red roses too

I see them bloom for me and you

And I think to myself what a wonderful world

Happy nation living in a happy nation

Where the people understand

And dream of the perfect man

A situation leading to sweet salvation

For mankind brotherhood

I praise Allah for sending me you my love

You found me home and sail with me

And I'm here with you

Now let me let you know

You've opened my heart

I was always thinking that love was wrong

But everything was changed when you came along

For the rest of my life

I'll be with you

I'll stay by your side honest and true

Till the end of my time I'll be loving you.. loving you

I've taken my bows

And my curtain calls

You brought me fame and fortune

And everything that goes with it

I thank you all

But it's been no bed of roses

No pleasure cruise

I consider it a challenge before the human race

And I ain't gonna lose And we mean to go on and on and on and on

We are the champions, my friends

Alavi

Name: _____

And we'll keep on fighting till the end

We are the champions we are the champions

No time for losers 'Cause we are the champions of the World

When I get older I will be stronger

They'll call me freedom just like a waving flag

o When I get older I will be stronger

They'll call me freedom just like a waving flag

So wave your flag, now wave your flag Now wave your flag

When we all give the power we all give the best

Every minute of an hour don't think about a rest

Then you all get the power you all get the best

And everyone gives everything and every song everybody sings live is life

Tonight, the super trouser lights are gonna find me

Shining like the sun (super trouser)

Smiling, having fun (super trouser)

Feeling like a number one

Tonight, the super trouser beams are gonna blind me (super trouser)

But I won't feel blue (super trouser)

Like I always do (super trouser)

'Cause somewhere in the crowd there's you

I see this life, like a swinging vine

Swing my heart across the line

And in my face is flashing signs

Seek it out and ye shall find

Old, but I'm not that old young, but I'm not that bold

And I don't think the world is sold

On just doing what we're told

I feel something so right doing the right thing

And I feel something so wrong doing the wrong thing

Alavi

Name: _____

I couldn't lie, couldn't lie, couldn't lie
Everything that kills me makes me feel alive
Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But baby, I've been, I've been praying hard
Said, "No more counting dollars, we'll be counting stars"

پس بیا با هر زبون
بخون عاشقونه کنارم توهم بخون
فریاد بزن بگو
دوست دارم

And this endless road that we are on just keeps ongoing round

But there's one destination that always is here to be found

So come with me

با من بیا

You will see

توهم ببین

The light that shines for eternity

Be strong and learn to say the words I love you

فریاد بزن بگو

دوست دارم

The words I love you

دوست دارم

The words I love you
