

## Medley

I see this life, like a swinging vine  
Swing my heart across the line  
And in my face is flashing signs  
Seek it out and ye shall find  
Old, but I'm not that old  
Young, but I'm not that bold  
And I don't think the world is sold  
On just doing what we're told  
I feel something so right  
Doing the right thing  
And I feel something so wrong  
Doing the wrong thing  
I couldn't lie, couldn't lie, couldn't lie  
Everything that kills me makes me feel alive  
Lately, I've been, I've been losing sleep  
Dreaming about the things that we could be  
But baby, I've been, I've been praying hard  
Said, "No more counting dollars, we'll be counting stars"

ببین چشمایی رو که گشتن پی نوری موندگار  
از عشق و باور باید که آخر بشن لبریز دلامون  
یه روزی هرجا پر بشه دنیا از طنین صدامون  
پس بیا با هر زیون  
تو هم بخون بخون عاشقونه کنارم  
فریاد بزن بگو  
دوست دارم  
And this endless road that we are on just keeps on going round  
But there's one destination that always is here to be found  
So come with me  
با من بیا  
You will see  
تو هم ببین  
The light that shines for eternity  
Be strong and learn to say the words I love you  
فریاد بزن بگو  
دوست دارم  
The words I love you  
دوست دارم  
The words I love you
