

Medley

Tonight, the super trouter lights are gonna find me
Shining like the sun (super trouter)
Smiling, having fun (super trouter)
Feeling like a number one
Tonight, the super trouter beams are gonna blind me (super trouter)
But I won't feel blue (super trouter)
Like I always do (super trouter)
'Cause somewhere in the crowd there's you

I see this life, like a swinging vine
Swing my heart across the line
And in my face is flashing signs
Seek it out and ye shall find
Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're told
I feel something so right
Doing the right thing
And I feel something so wrong
Doing the wrong thing
I couldn't lie, couldn't lie, couldn't lie
Everything that kills me makes me feel alive
Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But baby, I've been, I've been praying hard
Said, "No more counting dollars, we'll be counting stars"

ببین چشمایی رو که گشتن پی نوری موندگار
از عشق و باور باید که آخر بشن لبریز دلامون
یه روزی هرجا پر بشه دنیا از طنین صدامون
پس بیا با هر زبون
تو هم بخون بخون عاشقونه کنارم
فریاد بزن بگو
نوست دارم
And this endless road that we are on just keeps on going round
But there's one destination that always is here to be found
So come with me
یا من بیا
You will see
تو هم ببین
The light that shines for eternity
Be strong and learn to say the words I love you
فریاد بزن بگو
نوست دارم
