

## Medley

Have you ever wondered, well I have.  
About how when I say, say red, for example.  
There's no way of knowing if red  
Means the same thing in your head  
As red means in my head. When someone says red  
And how if we are traveling at, almost the speed of light  
And we're holding a light  
That light would still travel away from us  
At the full speed of light, which seems right in a way  
But what I'm trying to say, I'm not sure  
But I wonder if inside my head  
I'm not just a bit different from some of my friends  
These answers come into my mind unbidden  
These stories delivered to me fully written!

And when everyone shouts like they seem to like shouting  
The noise in my head is incredibly loud!  
And I just wish they'd stop, my Dad and my Mum.  
And the telly and stories would stop for just once!  
And I'm sorry, I'm not quite explaining it right.  
But this noise becomes anger and the anger is light  
And its burning inside me would usually fade.  
But it isn't today!  
And the heat and the shouting.  
And my heart is pounding.  
And my eyes are burning  
And suddenly everything, everything is...

## Quiet

I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself what a wonderful world

Happy nation living in a happy nation  
Where the people understand  
And dream of the perfect man  
A situation leading to sweet salvation  
For the people for the good  
For mankind brotherhood
