A blue speech bubble with a black outline and a tail pointing downwards and to the left. It contains the text "Modern architecture attractions are better or old ones?" in yellow.

Modern  
architecture  
attractions  
are better or  
old ones?

A blue speech bubble with a black outline and a tail pointing downwards and to the left. It contains the text "Let's talk!" in yellow.

Let's talk!

What is modern architecture?

- 1.
- 2.
- 3.

1

Styles of buildings in last 100 years.

2

It's about new ideas,  
simple shapes,  
open spaces,  
eco friendly ideas.

3

"Fallingwater House,  
USA (1936-39) by  
Frank Lloyd Wright"

They make buildings that are  
beautiful,  
useful,  
and surprising.

Burj Khalifa is famous for  
being the tallest skyscraper.

The shard is famous for  
looking like a sharp crystal.

Falling water is famous for  
being on a waterfall.

Sydney opera house is famous for  
having a white sail shape on water.

Heydar Aliyev center is famous for  
having a wavy flowing shape.
