

Azadi Tower

In 1966, 24-year-old architecture student Hossein Amanat won a competition to design a building to celebrate the 2,500th anniversary of the Persian Empire. It is now one of the most important symbols of Tehran. If you take the stairs or elevator to the top, you can see several hexagonal windows set around the upper level which give an amazing view of Tehran.

architecture

The art of designing and making buildings.

competition: match: contest

2022

anniversary

A day when we remember something that happened in the past.

several: many
