▷ Nasir al-Mulk mosque

In 1876, Mirza Hassan Ali Khan, also known as Nasir-ol Molkthe (ruler of Fars), decided to build a mosque as a memory of himself for the next generations. The designers of the mosque were Mohammad Hasan-e-Memar, an Iranian architect, and Mohammad Reza Kashi-Saz-e-Shirazi. It was completed after 12 years in 1888. But it didn't have any colored glasses at that time. They were added years later by Haj Mirza Ayat.

- ✎ Nasir al-Mulk mosque is called “Mosque of colors,” the “Rainbow Mosque” and also the “Pink Mosque”.
- ✎ This mosque is unique because of the pink color that is used in the structure.
- ✎ It doesn't have a dome because it was a personal property.
- ✎ When sunlight passes through mosaic windows, it creates hundreds of colors on the walls and floor carpets.
