

Today is world Anti –Bullying Day.

# Say No To Bullying

---

International Day Against Bullying  
at School and Cyberbullying

WORLD DAY OF BULLYING PREVENTION

# STOP

# BULLYING

Say “No” to Bullying.  
Be a friend ,not a bully.

# International Day Against Violence and Bullying at School

Bullying is not good.  
It can hurt people's  
feeling.  
We must be kind to  
everyone.

Cyberbullying happens on the internet.

We should not send mean messages.

Let's use the internet to help , not to hurt.

Bullying is bad.  
It makes people sad.  
We must be kind.
