|--|------------------------------------|
| 1 A train is faster ...                          | a ... than Susan's first computer. |
| 2 A cat is bigger                                | b ... than a bike.                 |
| 3 This computer is more modern                   | c ... than it is in the summer.    |
| 4 My friend's hair is wavier ...                 | d ... than a kitten.               |
| 5 It is darker in the evenings in the winter ... | e ... than the teacher's.          |

3 Read and complete the letter. Use words from the box. There are three words that you do not need.

bigger longer darker heavier  
modern slower lighter

Hi Mandy

My father wants to buy a new car. He does not know which car to buy.

Look at these cars. The black car is <sup>1</sup> bigger and faster than the white car.

The white car is <sup>2</sup> \_\_\_\_\_ but it is more <sup>3</sup> \_\_\_\_\_. It is also smaller and has <sup>4</sup> \_\_\_\_\_ windows. I'm keen on the white car. Which car do you like?

Write soon.

Anne
