Dolphins have got a tail, a big grey nose and a mouth but they haven't got legs. Dolphins are bigger than fish but they are smaller than sharks. They are cleverer than a lot of animals in the sea. They are faster than people in the water too. Dolphins can jump through hoops and catch a ball. Come and see them at AQUAWORLD!

- (big) dolphins, fish
- (small) dolphins, sharks
- (clever) dolphins, other animals in the sea
- (fast) dolphins, people
