

1 Professor Bloom is very clever.

2 When did he learn to make machines?
When he was six.

3 How often does he make new machines?
He always makes new machines on Friday. He makes them in the morning.

4 What time does he get up?
He always gets up at 7.00.

5 Today is Friday!
And it's 7.30!
Where's the Professor?

6 Wow! This machine is amazing, Professor!
I need one more thing. Then we can go home to Earth!
