

22) Read and write. There are three words that you do not need.

change coupons customer hungry online  
pay price receipt sales save shopping list

Shopping carefully is important if you want to save money. I always shop around to find the best <sup>1</sup> price before I buy. I often find the cheapest prices <sup>2</sup> \_\_\_\_\_. Also, I look out for <sup>3</sup> \_\_\_\_\_ in newspapers, which often help me to save money. When I want to buy a big item, I usually wait until the <sup>4</sup> \_\_\_\_\_. These often take place at the end of summer or winter when shops are trying to clear their shelves before the new things arrive for the next season. Another thing I do is always make a <sup>5</sup> \_\_\_\_\_ before I go food shopping. That way I don't waste money on lots of things that I don't need. Also, I never go food shopping when I'm <sup>6</sup> \_\_\_\_\_ because I end up buying more food than I should! Finally, I always take care when I'm at the till. I check the <sup>7</sup> \_\_\_\_\_ carefully to make sure that I'm paying the right amount of money. Also, I count my <sup>8</sup> \_\_\_\_\_ in case there are any mistakes.

23) Match.
