STORY

1 Professor Bloom is very clever.

2 When did he learn to make machines?
When he was six.

3 How often does he make new machines?
He always makes new machines on Friday. He makes them in the morning.

4 What time does he get up?
He always gets up at 7.00.

5 Today is Friday!
And it's 7.30!
Where's the Professor?

6 Wow! This machine is amazing, Professor!
I need one more thing. Then we can go home to Earth!

How do you go to school?

- 1 Lanau never goes to school by car. His family hasn't got a car. There aren't a lot of roads where he lives but there are a lot of rivers. And so Lanau and his friends always go to school by boat. Their school is on the water too! It opened when Lanau was four.
- 2 Ricky never goes to school! It's too far away. He has lessons in the morning and in the afternoon at home. He uses the Internet and the radio. On Friday his teacher goes to his house by plane.
- 3 Susanna lives in a cold place. She never walks to school. She usually goes to school by snowmobile. School starts at 9.00. Susanna leaves her house at 8.45 because her snowmobile is very fast!

TIP!

I go to school by boat. She goes to school by snowmobile.

20 Read and answer.

- How often does Lanau go to school by car?
- When did Lanau's school open?
- When does Ricky have lessons?
- When does Ricky's teacher go to his house?
- How often does Susanna go to school by snowmobile?
- What time does she leave her house in the morning?

THINK!

Make a list of different ways of going to school.
