How do you go to school?

- Lanau never goes to school by car. His family hasn't got a car. There aren't a lot of roads where he lives but there are a lot of rivers. And so Lanau and his friends always go to school by boat. Their school is on the water too! It opened when Lanau was four.
- Ricky never goes to school! It's too far away. He has lessons in the morning and in the afternoon at home. He uses the Internet and the radio. On Friday his teacher goes to his house by plane.
- Susanna lives in a cold place. She never walks to school. She usually goes to school by snowmobile. School starts at 9.00. Susanna leaves her house at 8.45 because her snowmobile is very fast!
