Advice for shoppers

Do you want to save money? Here's some good advice for you!

- 1 Before you buy something, you should look for the best price. Some shops are cheaper. You should read advertisements in the newspaper. You can also check prices online.
- 2 You can use coupons to save money. There are often coupons in the newspaper. Some shops also give special discounts for young people. You should ask the sales assistant.
- 3 You should wait to buy in the sales, when the prices are cheaper. Clothes shops often have sales at the end of the summer or the winter. You can buy very cheap clothes for the next year.
- 4 Make a list before you go food shopping. Don't buy things that aren't on your list. You should go to the supermarket after lunch. Don't go food shopping when you're hungry!
- 5 Be careful when you pay for something. After you pay, you should look at the receipt. Are there any mistakes? You should also count your change carefully.
