Hi, I'm Laura. When I grow up, I'd like to go <sup>1</sup> **on** / **off** an adventure tour in New Zealand because I've never been there before. My friend Sam went last year **and** she told me all about the great activities there are. <sup>2</sup> **First** / **Firstly** of all, I'd love to <sup>3</sup> **swim** / **swimming** with dolphins in the Pacific Ocean because they are such beautiful animals. <sup>4</sup> **Afterwards** / **After** that, I really want to try rafting in Queenstown. It looks a little frightening but I think it would be fun. <sup>5</sup> **Next to** / **Next**, I'd like to see a whale near Kaikoura beach – it would be amazing to see one of those huge animals in real life! <sup>6</sup> **Final** / **Finally** I'd like to explore a forest from above! You can climb into the ancient trees in a forest in Rotorua and swing like a monkey on zipwires! I've tried that once before and it was great!

- What activities would you like to try and why?

Where are the animals? They are under the sea. Look, the whale is on the phone to his friend, the elephant. He is not under the sea! The dolphin is laughing. I don't know why. Here comes the shark. The fish are whisphering. What's that on his head? Oh, it's a funny white hat.
