Hi. I'm Inuk. I live in Greenland. Winter and summer are very different here.

### My recent blogs

#### Winter

In winter, we don't see the sun very much. There's one long night for four weeks in December and January. There are some big snowstorms and it is very, very cold. We go to school by snowmobile because we can't use a car.

#### Summer

In summer, there aren't any snowstorms. There are often long sunny days. For a month, it is never night-time! I go kayaking and fishing every day. The summer is great but it's very short. In September, it's time for my winter clothes again.
