My favourite song was about Africa.
(Waka Waka)

Earth Day

1 Read.

A lot of people in different countries celebrate Earth Day. It's on 22nd April every year. People think about the planet on Earth Day. We all want to live on a green planet. Recycling and reusing things helps protect the environment. How often do you recycle or reuse things?

2 Listen, read and say.

3 Listen and read.

look after=take care

Hi, I'm Julie. Today is Earth Day. My teacher talked to us about being green. Being green means looking after the planet. At school we always recycle plastic, cans and a lot of other things. I've reused paper in our classroom last week too. I like being green. I give my old clothes to other people every year. In the future I might reuse glass bottles at home and I won't use plastic bags.

4 Read again and answer.

- 1 What does being green mean? It means .looking after the planet
- 2 How often do they recycle plastic in Julie's school? .They always recycle plastics
- 3 When did they reuse paper? .Last week
- 4 When does Julie give her old clothes to other people? .Every year
- 5 What is she going to do at home in the future? .She might reuse glass bottles

5

Listen and write. Then sing.

bags cans Earth Day give glass paper planet recycle reuse
