

## New words

- 1) interesting: very good
- 2) structure: building
- 3) section: part
- 4: reflection: an image that you can see in the water.
- 5) attract: to cause a person like something.

What's interesting about this bridge is that it only took 3 years to complete this structure. Si-o-se-pol was built to connect the northern section of the city to the southern section. It was also used as a dam. The picture of the bridge reflections in the river at night attracts lots of tourists to Iran.
