

Leo and Lily's Adventure

In this story, we read about the adventure of a cat, Leo, and a bird, Lily.

This story is an *adventure story*. Adventure stories are usually exciting because a lot of things happen.

Before You Read

Think How can animals help people?
Do you help at home?

Learn Compare and Contrast

Remember, to **compare** things, we tell how they're the same. To **contrast** things, we tell how they're different.

Read the text. What's the same? What's different?
Write the words in the Venn diagram.

Hugo and Ivan are ten years old.
Hugo lives in a big house in the country and Ivan lives in a small apartment in the city. They both have pets. Hugo has a big dog and Ivan has a small goldfish.

D Look at the title and pictures on pages 18–19. Guess the things that happen.
