

Elliot's New Friend

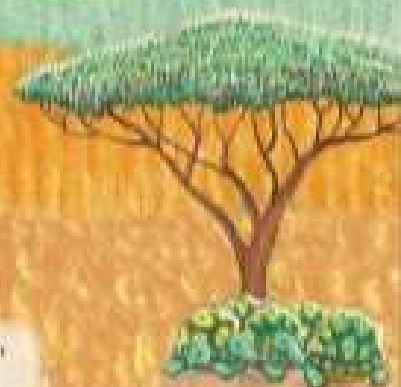

Elliot is **sad** and **lonely**.
He sees a **tortoise**.

"Hello, I'm Tuti."

"I'm Elliot. I can't find my family."

"Let's look."

"Look! Is that your family?"

"No! Those are zebras."

The zebras are **scared**. They run away.

Elliot and Tuti **eat**, **play**, and **sleep**.
