New Experiences

Finally, people move when they want a change in their lives, or to find new experiences. Older people often move to places with better weather. If students want to learn about other places, they sometimes go to universities in other countries.

As you can see, people move for many reasons. Maybe someday you, or someone you know, will move, too!

Think What are the details?

My grandparents moved to Portugal when I was five. They visit us here in Stockholm in the summer, but in the winter they stay in Portugal. They love the warm weather there.
