Page 1

Hello everyone , are you ok ?

Hey , this is a watermelon can you say
what is turning around it ?

Can you name some fruits which they have seed inside them .

Let's learn more about seed's parts .

Parts of a Seed

Seeds and fruits

Have you ever swallowed a **seed** when you were eating an apple or an orange? We find seeds inside fruits. Fruits and seeds can be different sizes and shapes.

This apple has been cut in half to show the seeds.

An avocado pear has one large seed.

Bean seeds are found inside a pod.

A poppy's fruit contains the seeds.

Here is a bean seed with its parts labelled.

Now , who can name seed's parts for me?

Bye every one .
