has similar **hands**

..... **and** **a nose**

He/ she has different

eye colour

My friend **Zahra**

has similar **hair colour**

He/ she has different

skin tone

Primary Science

1.4. Sorting plants

David is planting his garden.

He has these plants and wants to group them in his flower bed.

Can you help David put each plant in the correct category?

Tall plants	
no flower D	with flower B
Short plants	
no flower A	with flower C
