6.1. Hearing and touch

Our five senses

Look at Anita, draw arrows from the labels to the parts of her body that give her each sense.

Which sense would I use?

Look at each picture. Would you use the sense of hearing or touch?

I would use my sense of hearing

I would use my sense of touch

I would use my sense of touch

I would use my sense of hearing

I would use my sense of touch

I would use my sense of hearing

* 6.2. Taste and smell

Our senses of smell and taste often work together. They help us to avoid eating bad food.

Take care when smelling things in case they are dangerous, Always smell from at least 10 cm away.

Smell and taste!

Find five foods. Record how they smell and taste.

I smelled
a kiwi fruit
It smelled
pleasant

I tasted
pizza
It tasted
pleasant

I smelled
garlic
It smelled
unpleasant

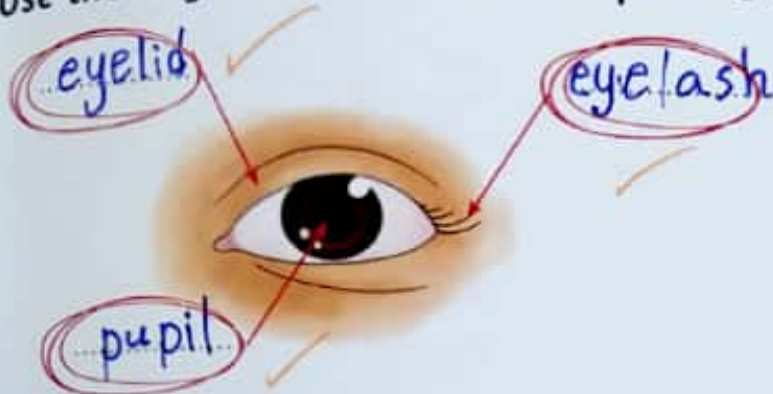

I tasted
onion
It tasted
unpleasant

* 6.3. Sight

Parts of the eye

Use the key words to label the picture of the eye.

eyelash

pupil

eyelid

Look after your eyes.
Never put things in your eye
and never look at the sun.
