

Finding your bones

Feel your head. How many **skull** bones can you feel?

Hold your hands on the sides of your chest. Can you find your ribs?
How many ribs can you feel?

Now feel your back. The bumps you can feel are the bones of your **spine**. These bones are called **vertebrae**. One bone is called a **vertebra**.

Stand up and put your hands on your hips. Can you feel your hip bones?
