

Primary Science

Finding your bones

Feel your head. How many **skull** bones can you **feel**?

Hold your hands on the sides of your chest. Can you find your ribs?
How many ribs can you feel?

Now feel your back. The **bumps** you can feel are the bones of your **spine**. These bones are called **vertebrae**. One bone is called a **vertebra**.

Stand up and put your hands on your hips. Can you feel your hip bones?

- ◆ What are the bones in your head called?

.....

- ◆ What are the bones in your chest called?
