

Are these pictures in the right place?
Put a **tick** or a **cross** in each box.

push

pull

Primary Science

* 5.2. Changing movement

Big push, small push
You will need a toy car and a ball.

Push the toy car and the ball with a big push, then a small push.

Do they go fast or slow? Write it in the table.

			
big push 	small push 	big push 	small push 
fast or slow?	fast or slow?	fast or slow?	fast or slow?
fast	slow	fast	slow

Think about it!

Which push makes things go faster? Tick one box.
big push
small push
