**What are Man-made materials?**

**Man-made materials are  
made by people.**

It's paper.

Paper is made by people.

Paper is a man-made material.

It's plastic.

Plastic is made by people.

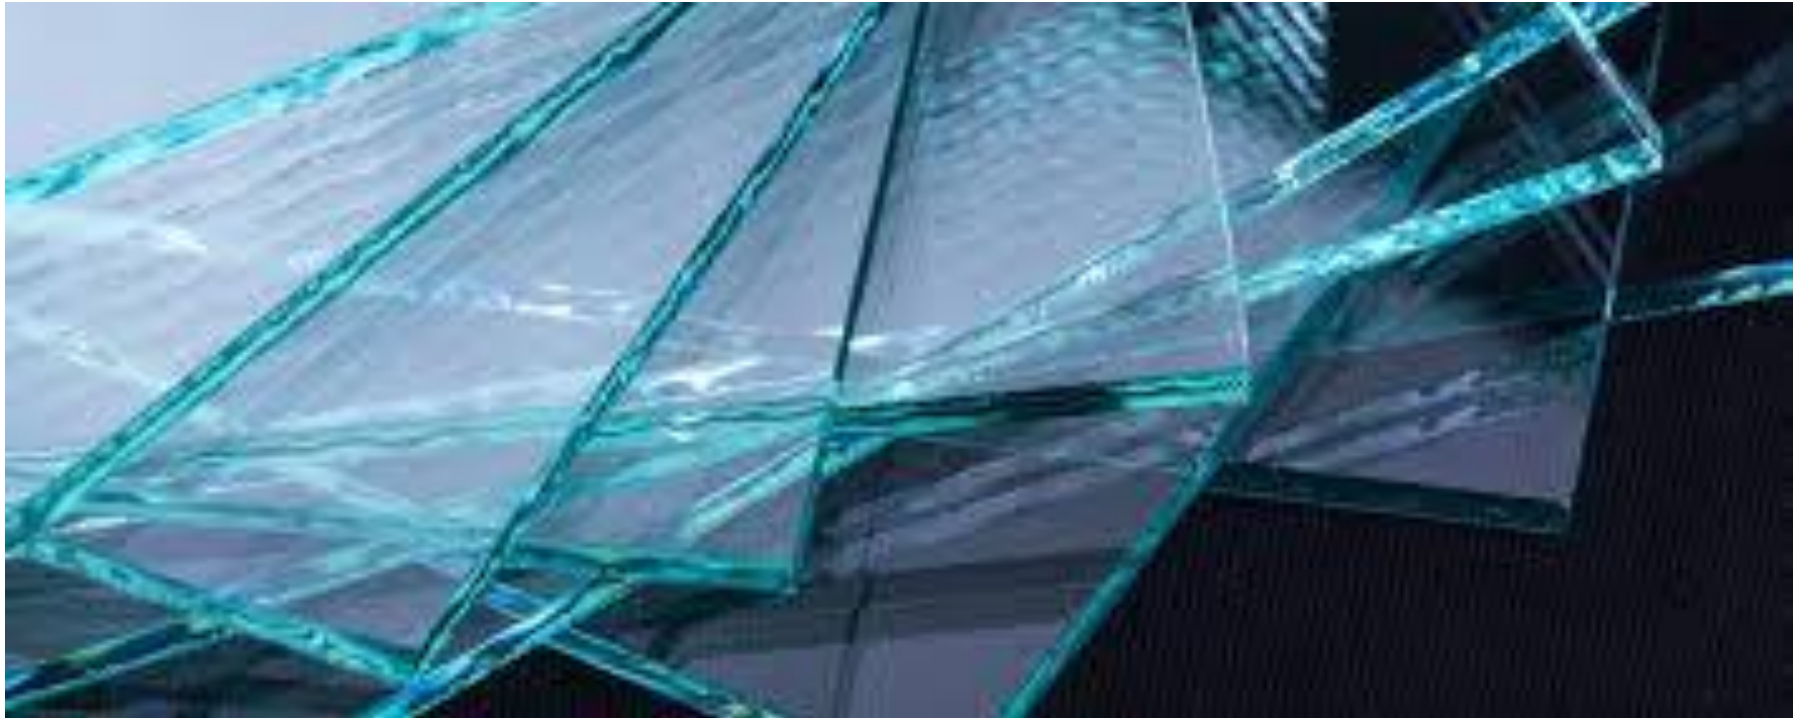

Plastic is a man-made material.

It's glass.

Glass is made by people.

Glass is a man-made material.

It's sweater.

Sweater is made by people.

Sweater is made by cotton.

Sweater is a man-made material.

It's desk.

Desk is made by people.

Desk is made by wood.

Desk is a man-made material.

It's fur coat.

Fur coat is made by people.

Fur coat is made by fur.

Fur coat is a man-made material.

It's spoon.

Spoon is made by people.

Spoon is made by metal.

Spoon is a man-made material.

It's ring.

Ring is made by people.

Ring is made by rock.

Ring is a man-made material.

It's nail polish.

Nail polish is made by people.

Nail polish is made by black oil.

Nail polish is a man-made material.
