

Science project:

Shylin : There are different types of weather such as sunny, windy, snowy, rainy. I like sunny days because I can go to park and eat ice cream.

Rozana (last part): I want to talk about 5 senses :

I can hear voices and touch every things.

I can taste ice-cream and smell flowers.

I can see every things by my eyes.

Sara: I like snowy days because I can make a snowman and I like windy days because I can fly a kite.

Baran: I want to talk about rainbow . When rains and the sun is shining at the same time ,rainbow is formed

Saida: there are 3 types of states of matter :Liquid – solid – gas

Aynour: I want to talk about solids. Each solid has a definite shape.

Asal: I want to talk about liquid.

A liquid takes the shape of its container.

Asal(second part): I want to talk about changing materials.

Twist – bend – stretch – squash

Nazanin : I want to talk about gas. A gas takes the shape of its container.

Avina: I want to talk about light source. A light source makes light such as sun.

Mehrsa Abbasi: I want to talk about day and night. When the Earth is in the light, we call it day. When the Earth is in the dark, we call it night.

Mehrsa Sajed: I want to talk about life cycle of a chicken. First there is an egg. Then chick hatches the egg and comes out. Next grows bigger and finally becomes a chicken.

Setia: I want to talk about life cycle of a frog. First there is an egg. Then tadpole hatches the egg and comes out. Then the tadpole grows bigger and finally becomes a frog.

Anil: I want to talk about life cycle of a human. There are 5 steps. 1. baby 2. Toddler 3. Child 4. Teenager 5. Adult.

Nazgol : I want to talk about life cycle of a plant.

First a seed is planted. Then the seed begins to grow. Next we have a young plant and finally we have a flowering plant.

Mersana : I want to talk about animal`s movement.

The fish can swim. The horse can run. The bird can fly.

The kangaroo can jump.

Mehrsa foadi: I want to talk about animal`s habitat.

Fish live in the sea. The snake lives in the desert. The sparrow lives in the town.

Fatemeh: I want to talk about natural materials. cotton-wood-oil-soil.

Andiya: I want to talk about man-made materials.

Plastics-paper-clothes.
