

Science project:

**Shylin:** There are different types of weather such as sunny, windy, snowy, rainy. I like sunny days because I can go to park and eat ice cream.

**Nahal:** I like snowy days because I can make a snowman and I like windy days because I can fly a kite.

**Arnika:** I want to talk about rainbow . When rains and the sun is shining at the same time ,rainbow is formed

**Emina:** there are 3 types of states of matter :Liquid – solid – gas

**Helia :** I want to talk about solids. Each solid has a definite shape.

**Baran:** I want to talk about liquid.

A liquid takes the shape of its container.

**Baran( second part):** I want to talk about changing materials.

Twist – bend – stretch – squash

**Delvin :** I want to talk about gas. A gas takes the shape of its container.

**Arghavan:** I want to talk about light source. A light source makes light such as sun.

**Adrina:** I want to talk about day and night. When the Earth is in the light, we call it day. When the Earth is in the dark, we call it night.

**Nafas:** I want to talk about life cycle of a chicken. First there is an egg. Then chick hatches the egg and comes out. Next grows bigger and finally becomes a chicken.

**Hana:** I want to talk about life cycle of a frog. First there is an egg . then tadpole hatches the egg and comes out. Then the tadpole grows bigger and finally becomes a frog.

**Delnia:** I want to talk about life cycle of a human. There are 5 steps. 1.baby 2. Toddler 3. Child 4. Teenager 5. Adult.

**Arosha :** I want to talk about life cycle of a plant.

First a seed is planted. Then the seed begins to grow . next we have a young plant and finally we have a flowering plant.

**Liana :** I want to talk about animal`s movement.

The fish can swim. The horse can run. The bird can fly.

The kangaroo can jump.

**Barana:** I want to talk about animal`s habitat.

Fish live in the sea. The snake lives in the desert. The sparrow lives in the town.

**Sarvin:** I want to talk about natural materials. cotton-wood-oil-soil.

**Nita:** I want to talk about man-made materials.  
Plastics-paper-clothes.

**Diana:**I want to talk about 5 senses :  
I can hear voices and touch every things.  
I can taste ice-cream and smell flowers.  
I can see every things by my eyes.
